COME AND ENJOY ALL THE SPECIAL BENEFITS THAT
"SOY BEBÉ MAC" HAS FOR YOU.

THE EXPERIENCE OF BECOMING A MOTHER
HAS EVER BEEN THIS GREAT.

FOR YOUR PEACE OF MIND

We have created the ideal ambiance, nice and delicate, for you and your baby.

Our maternity facilities for natural delivery or c-section are amongst the most complete ones, guaranteeing functionality and safety at all times, with the support of our highly trained and qualified physicians and nurses.

Our facilities include a Neonatal Intensive Care Unit staffed with neonatal resuscitation and ACLS (Advanced Cardiac Life Support) nurses.

HOSPITAL MAC SAN MIGUEL DE ALLENDE

We are a healthcare institution capable of providing you with the safety and security that you and your baby need. We offer excellent care and services with the use of state-of-the-art equipment and technology, and the support of our highly qualified healthcare providers.

We are aware of the emotion and fascination of the arrival of a baby, thus we have committed ourselves to offer the trust, confidence and security that the birth of your baby deserves.

We have the undertaking of providing the best quality services because we want to make sure that you will give us the opportunity of being there for you during this, the most soul-stirring and breath-taking moment of the life of a woman: becoming a mother.
